

NEWS & NOTES

AUGUST 2015
Issue 1

Introducing PVS Sensors Inc!

PVS specializes in manufacturing **High Quality / Cost Effective Solutions** for a wide range of **Pressure, Vacuum, Temperature, and Differential Switches** manufactured in the USA.

Each product is designed for applications in the **Industrial and Mobile Hydraulic** field as well as **Pneumatic, Water, Process, Refrigerant, Air Conditioning, Beverage** and other associated industries.

These **USA designed and manufactured** products are complimented by a competitive range of **Temperature and Pressure Transducers**.

PVS Sensors Inc. offers a complete custom design and manufacturing service providing custom switch products to meet specific needs.

From a simple modification to designing a custom sensor, PVS Sensors engineering and sales staff have the answer for your pressure switch needs.
